

DRAFTING – TITLE BLOCK TEXT

Regarding text heights, the larger text height shown is to be the standard height to use. The smaller text height option may be used when longer text won't fit within the available space when using the larger default text height.

Text Description	Text Height (mm)				
	A4	A3	A2	A1	A0
APPROVED BY		2.5		3.5

SHEET		2.5		3.5	

IRONCAD DRAFT – TITLE BLOCK ATTRIBUTES

Regarding the text heights of Attributes, the larger text height shown is to be the standard height to use. The smaller text height option may be used when longer text won't fit within the available space when using the larger default text height.

The Attributes shown with a text height of **1.3mm** are linked to 3D properties, but are not displayed (unobvious). They will only be visible within the “Fill in Title Block” dialog box for reference and copying purposes. The “Alt” versions are displayed, and manually populated.

Attribute Name	Text Height (mm)				
	A4	A3	A2	A1	A0
ApprovedBy		2.5		3.5	
ClientName	5.0 / 3.5			7.0 / 5.0	
DesignedBy		2.5		3.5	
DrawingNumber	1.3			1.3	
DrawingNumberAlt (alternative not linked to 3D Properties)	5.0 / 3.5			7.0 / 5.0	
DrawingStatus		2.5		3.5	
DrawingTitle	1.3			1.3
